

## **Women and AIDS**

Claire McGowan

I2006, kwan me dano ilobo weng me tye ki sida udoko 40,000,000. imyaka 25 me two muchake; kacokke, gang, paco ki lobo gu porp pien two. Dano pol, tin, ngeyo gin ma ye ki sida. Enot, gin ma dit tye ka neon two itung mon.

Sida ucon, ubedo neko co, ki ubeda woto uyot idano me tiyo ki libira ki co me bwutu ki co. tin, kwan me two uito malo imom ki fud tye ka ito. Kwan dit ki nyutu gin acel maber ni- mito wa ter wang wa tung mon ikalwenyo two. calo gin acel me gu ye iMillenium Development Goals, ubedo ka ter mon ki co wakacel iyat ki ka gengo achwi ki sida.

Africa, itye mon 14 wa co 10 me tyw ki sida. Co me mon pol gu too wa sida, ka weko mon ka gwokke gang kengu. Itung dwong bene, mon eni gu tero ka gwokke lutino me paco ki lutino me kacokke, me kelo gangu ka pong wa lutino can me sida. Mon acel iMalawi, ubedo ki lutino can 9 tung mege mu bedo ka gwok gu iot kwed kasika ariyo. iBotswana jwi ni ngat wneg mu gamo mucara ubi med ngat mukene acel imyaka 10 pi two me sida. Wa UNAIDS, kwan ubi ito malo igang can-dano me pet ye ka gamo mucara.

Adaa ni pek tye ibot mon. Awene ngat mo weng two igang, tic me mon mede, pien en lagwokke, latic me gamo mucara ki lagwoko gang bene. Ka co mo two, dako ne gwoko ne, ki ka utoo gu dwaro dako igang, ki kacokke. Iye dwong me Africa, ka gamo gin pa lutoo, keto mon ikarac adada calo; ican, ka lworu neko, ka lworu gojo ki ka bwaro ne.

Two me mako gang, yejo kacokke. Itung mo iZimbabwe, mon gut ye ka cako tic me co calo fundi. Kuman, mon peg u tye ki caa ka tedo dek igango-pien pek me tye ka timo jami weng. Ka mon pol tye dactari, lupwony, ki lunywal, gin ka too nyo ka two, turo kacokke ka ito malo iwa Africa weng. Gin ma ye ubi nyute icaa kakare, ilutino me pu bedo kwed lupony, ilutino mu nywale labongo yat, iot yat labongo lutic. Ki mama gut ye ka too, nga ubi gwokke lutino can 15,000,000 me sida?

Cing col me sida neon ni turu tic me tio kacokke weng me gu tino, anyim. Pek tye wii anyira ka weko gang kwan ka cito tic, nyo ka dongo gang ka gwokke lutwo ki lutino can. Mon ki anyira pol gu winyo gin mu ye me two, ki two fud tye ka bedo pek ibot gi. Lunyodo ka too, ki tic ka gwokke lutino te lok ni anyira pol gu weko gang kwan ka bedo mama ki ka gamo mucara. Itye lok ika Africa awene lutino dong wa myaka 9 tye ka gwoko gang ki gwoko lutino ma dong ka loyo gi.

Pingo, mon gi two kuman? Ipwony me sida, gin me gu ye ubedo ni mon peg u two keken, ento peg u tero mon ki co wakacel ikacokke, eni me umedo two imon.itung kwene mon peg u tye ki twer ikacokke nyo itic, gun pol peg u tye ki twer ikom gi wa

ka bwutu nyo ka gamo ie. Dit nip e gut ye ki twer, peg u twero ka gwokeo kom gi wa two nyo wa co gi me tye ki sida. Ikwane me Global AIDS Alliance, mon pol ilobo wneg uwajo ni bwutu gi mukwongo ubedo ki twer.

Lworo gengo mom pol ka gamo gin madit- ka ngeyo. Millennium Development Goals, gu neon ni mon gut ye piny ikacokke, ento nywayo me two tye ka gengo mon arac adada. Ka bwutut atataa bene medo iporo pa mon. iluwobi dye myaka 15-19, anyira gubi mako two ka loyo luwobi.

Yo two me tye ka woto ne imon ukelo wang dano pol, wa mwunu ki America. IRussia ki Ukraine mon gu mako two dye co gi me tiy ki tuju yat. iAsia, gu caro ki wilo mon. iIndia, two uito imon can pien co gi gu bwutu ki Malaya. Mon me gu goyo, peg u tye ki twer kom bwutu gi, kom tiy ki kapira, nyo ka yengo tam kom achwi ki sida.

Yo dit me mon mako two tye ico gi. Ka co gu cito ka mo, gu cito ki Malaya, nyo gu tero dako mukene wa lutino. Ka gu dwoko gang, gu nyayo two bot dako gi. Dong, kacokke gu bayo dako woko. Mon me pe gamo mucara, peg u tye ki twer ka woto, kwo gi, pe gi twero ka weko co gi ka goyo tye. Mon iAfrica gu goyo gi lacen mako sida. Pien loworo, mon pol adada mu two peg u lok, bene co pol kwero ka tiy ki bupira kwed dako gi.

Lacen mon kabedo piny ikacokke, gin mukene bene kelo mon ka bedo jwik. Pien kom mon calo Rubanga mutime, mon gutwero ka mako two yot ka loyo co. eni bino ka yejo nyo rmo bino ibwuttu, eni jwi dye co madit ka bwutu ki anyira. Ye me kacokke mo, kwene ka co too dako ne gu miyo ngat mukene, nyayo two igang ikacokke.

Malaya ki bwutu ki twer bene kelo achwi ka woto. Lweny ilob pol me Africa, uturo gango pol mukelo dano ka bwutu atata, ki anyira gu tico calo Malaya. Anyira bene gu bedo dako me lu lweny mu medo gi ka mako two. Gunongo ni iUganda, Sudan, Zimbabwe, Rwanda ka mako dako ubedo yo twer ika lweny. Kamede, dano me tye kwed sida, me miyo dano mukene two ilweny.

Dit ka ngeyo ni achwi ki sida uturo mon ki lutino gi. Anyim two, mon me Africa gu curo gi ka doto lutino gi pien cak dek ma ber ki lutino, mugwoko gi ka mato pii marac. ka doto latin miyo ne dek maber ka dong, ento tweyo dako ki latine. Tin gi tye ka wajo mon ni, ka gu doto, gu bi miyo lutino gi two.

Lutino ka two ika doto dit iAfrica. Ilobo madit, gu twero ka gengo two ka nyayo ka a mon bot latin, pien gu miyo mon yat ki ika nywalo gu gwokke. mon pol peg u twero ka nongo tam, nyo yat ika nywalo. Ka gengo mama ka miyo latin two iAfrica, tye pek dit icaa ma bino. Miyo gu kel pwoony maber ki madaa kom woto me achwi.

Gu cak acaka ka winyo pek me sida iAfrica. Mukwonge imyaka 25 kwo tye ka poro, ka 40 ilobo mo. Gin mubi ye ubi lutino can, anyira ki dako ka lweny ka gwokke lutino gi ki lutino pa kacokke, ki lamera gi. Anyira dwong mu mito ka cito igang kwan peg u bi cito. Gum tye? Dye pwoony, tam ki lok. Ka pwoony lutino iprimary, kelo ngey ki gengo anyira ki anyaka matino ka bwutu. Ento, kwan ma dit me lutino me tye igang kwan fud tye anyaka. Ka gin maber ubi bino ka sida eni, dong, ubed ka term on ki co wakacel, ki ka doko wang jo ka neon tic mon me gu timo ikacokke.

Ka lwenyo sida, bino wakacel ki lweny me twero mon ki co wakacel ikacokke.mito, mon gu bed labongo two , tye cing acel ka kelo mon twer ki kwo. Mito, mon gu bed labongo lwo ro goj nyo mako gi, ka nongo yat ki kony ika nywalo, ka ngeyo tam wii kom ki kwo gi, ka gamo mucara labongo bedo Malaya, ki ka mako kwo gi gen komgi.
